

Pleto

The mobile helper for added comfort.

Features

Overbed table in 2 variants: one-piece non-tilt, or two-piece adjustable tilt

High stability

Excellent manoeuvrability

Universal use in everyday care situations

Can be used as a dining table or a book rest

Moved close to beds and chairs thanks to its C base

If the bed's mattress base is raised unintentionally, the table top is automatically raised as well, thereby preventing any damage.

Tilting overbed table **30° - 60°**

Max. load on over bed tabletop (applied to centre) **15kg**

Pleto

The mobile helper for added comfort.

Thanks to its excellent manoeuvrability, the Pleto server is for universal use in everyday care situations. It can be wheeled right up to beds, chairs or care armchairs, as required.

Multi use

The Pleto server can be used as a dining table or a book rest.

Table top

Split and horizontal tilting table top.

Height adjust

The height adjustment lever is in easy reach.

Stability

A strong chassis provides stability. It can be moved close to beds and chairs thanks to its C base.
