Vitano

The flexible, rotatable bedside cabinet.

The stylish body of the Vitano cabinet rotates up to 240° smoothly & infinitely. This is ideal for enabling patients to reach their belongings.

Rotatable

The 240° infinitely rotatable body of the Vitano makes it particularly versatile in use.

Height adjust

The Vitano's height-adjustable overbed table is very robust in everyday use.

Tilting overbed

Overbed table top with a high load-bearing capacity with adjustable tilt of 30°-60°.

Secure

Vitano's closed back prevents unauthorised access from behind.
